Dear Parents and/or Guardians:

As of January 31, 2014, Tecumseh Local Schools have used 9 calamity days. Four of these days must be made up at the end of the school year, unless the Governor pardons a few of these days. As a district, we have the option to use Blizzard Bags to make up 3 additional days. Tecumseh Local School District has adopted the Blizzard Bags for inclement weather and school cancellations. The Blizzard Bag days will be effective as of January 31, 2014. The district will have 3 Blizzard Bag days available.

Blizzard Bags are classwork geared towards the child's grade level that is done through the internet and/or paper based. The assignments will be carefully selected by teachers and are meant to practice skills already attained. Once a calamity day is called, you will receive an all-call stating the calamity day will be a Blizzard Bag day. Based on your child's teacher, he or she will be able to go online to retrieve their assignments or they will receive their assignment once they return to school. Your child will have two weeks to complete the assignment. These assignments will be graded and failure to complete the assignment will result in a missing assignment and/or a zero.

If you should have any questions or concerns regarding the Blizzard Bag procedures, please contact your child's school.

Sincerely,

Bradley A. Martin
Superintendent
