

Mrs. Mischler's Supply List

- 1 box of silverware
- 2 boxes of tissues
- 2 containers of Clorox wipes
- 2 containers of baby wipes
- 1 3-ring binder if new to the classroom (not previous students)
- 4 packs of glue sticks
- 1 box of ziplocks (boys – gallon/girls – sandwich)
- 1 box of crayons
- 1 box of markers
- 2 plain folders with 3-prongs
- supply box
- 4-pack of playdoh
- 2 bottles of white glue
- 1 spiral notebook

I know this is not the standard supply list, but these are the things we use regularly for the students. I may also send notes home through out the school year when we run low on things. We tend to go through a lot of wipes and glue sticks! We do a lot of hands-on activities, cooking projects, science projects, and art projects that can get messy ☺ I appreciate your cooperation. If you have any questions or concerns, please give me a call. (845-4480)

Thanks!

Mrs. Mischler
