Be a Part of the Team!

Educating a young person is a team effort. Being an effective part of the team means staying informed.

We encourage you to call The Education Connection on a regular basis. Talk to your child's teachers to find out how they are using TEC. We urge you to provide feedback to the staff at Tecumseh as we work with you to improve communication in our educational community.

If you need to speak directly to a teacher or staff member please call the office. If the teacher is unavailable, we can transfer you to the voice mail box, and you may leave a detailed message.

Be in the Know!

Ask your child's teacher for their four-digit TEC Teacher Number, which you will input to listen to information about homework assignments or activities in the classroom.
