

Park Layne Transportation Plan

Please complete and turn in to the school office.

It's not too early to think about transportation for your child. We make transportation tags for each child to wear to help get all the children to the right place at the end of the day. We will make these tags based on the information you provide below. Please ask school personnel if you need additional information about any of these options. **Please make sure your child 's transportation is the same every day of the week if at all possible.**

If the information you provide changes, please notify us so that we can print an accurate tag for your child. Call us at 845-4470 (leave a message if we don't answer) or e-mail karyl.strader@tecumsehlocal.org.
