History of Tecumseh Education Foundation

The Tecumseh Education Foundation (TEF) was established in 1993 in response to a need for funding, identified during the Tecumseh Local Schools strategic planning process. TEF is a nonprofit organization focused on assisting the Tecumseh Local School by funding enrichment programs. TEF is governed by a board of trustees made up of community volunteers.

Accomplishments include:				The provisions of scholarships		
The provisions of mini grants which fund enrichment activities for students at all grade levels throughout the Tecumseh Local Schools.				which provide funding for the graduates of Tecumseh Local Schools for the pursuit of higher education.
