Dear Donnelsville Elementary Parent/Guardian,

You have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to obtain certain information in a timely manner should you request it. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- ~ Whether the Ohio Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.
- ~ Whether the Ohio Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- ~ The teacher's college major, whether the teacher has any advanced degrees, and if so, the subject(s) of the degrees.
- ~ Whether any teacher's aides or similar paraprofessionals provide services to your child, and if they do, their qualifications.

If you would like to receive any of this information, please call the board office at 845-3576.

We hope you and your child have a happy and successful school year.

Sincerely,

Mr. Jay Burkholder
Principal
