VISION STATEMENT

“Learning for all – whatever it takes”

MISSION STATEMENT

Tecumseh Local Schools is the driving force behind a community of diverse and proudly connected Arrows. We are relentless learners who strive to become better tomorrow than we were today.

Student/Parent Handbook

Welcome to Tecumseh Local Schools. The Tecumseh Local Staff is pleased to have you as a student and will do our best to help make your experience here enjoyable and successful throughout the year. To help provide a safe and productive learning environment for students, staff, parents and visitors, the Board of Education publishes this updated Student/Parent Handbook annually to explain students' rights, responsibilities and consequences for misbehavior.

Parents are encouraged to take a few minutes to review and discuss the information in this Handbook with their children. Administrators and staff may also review portions of this Handbook with students at the beginning of the school year. Please realize that this handbook covers students in grades K-12 so some items may not pertain to all students.

Thank you for taking the time to become familiar with the important information in this Handbook. If you have any questions, please do not hesitate to contact your child's building principal.

FOREWORD

This Student Handbook was developed to answer many of the commonly asked questions that students and parents may have during the school year and to provide specific information about certain Board policies and procedures. Please take time to become familiar with the important information contained in this Handbook and keep the Handbook available for frequent reference by you and your parents. If you have any questions that are not addressed in this Handbook, you are encouraged to talk to your teachers or the building principal. This Handbook replaces all prior handbooks and other written material on the same subjects. This Handbook does not equate to an irrevocable contractual commitment to the student, but only reflects the current status of the Board's policies and the School's rules. If any of the policies or administrative guidelines referenced herein is revised, the language in the most current policy or administrative guideline prevails. Copies of current Board policies and administrative guidelines are available on the District's web site.

BOARD POLICY

The complete board policy is available on the district website at www.tecumseh.k12.oh.us. If you have any questions regarding the Parent/Student Handbook or Board Policy, please contact the school office or the Central Office at 845-3576.

GENERAL INFORMATION

ACADEMIC HONESTY STATEMENT

It is the obligation of every student of Tecumseh High School to maintain an atmosphere of academic honesty. Students are only able to receive a quality education when they assume full responsibility for their own academic work. Students are not to borrow, copy, plagiarize, or otherwise use the academic works of others under any circumstances.

ACADEMIC INTEGRITY/CHEATING

Presenting someone else's work as one's own in order to obtain a grade or credit is considered to be cheating. This includes, but is not limited to, copying others assignments, quiz or test answers, and plagiarism. Students who violate this policy will receive zero credit for assignments or work involved. Repeated offences will result in loss of credit and additional discipline.

ACCESS TO SCHOOL RECORDS

The Tecumseh Local Board of Education wishes to inform all parents and/or guardians of students enrolled in any Tecumseh Local Schools that parents or guardians may call and request an appointment with the principal of the school to review their child's official school record. Students who are 18 years of age may make the same request. The records will be reviewed in the presence of the building principal or his designated representative. In regards to any psychological report on the student, request for an appointment with the psychologist should be made.

BLOODBORNE PATHOGENS - Notification to Parents

The District is subject to Federal and State regulations to restrict the spread of hepatitis B virus (HBV) and human immunodeficiency virus (HIV) in the workplace. These regulations are designed to protect employees of the District who are, or could be, exposed to blood or other contaminated bodily fluids while performing their job duties.

Because of the very serious consequences of contracting HBV or HIV, the District is committed to taking the necessary precautions to protect both students and staff from its spread in the school environment. Part of the mandated procedures includes a requirement that the District request the person who was bleeding to consent to be tested for HBV and HIV. The law does not require parents or guardians to grant permission for the examination of their child's blood, but it does require the District to request that consent. Although we expect that incidents of exposure will be few, we want to notify parents of these requirements ahead of time. That way if the situation does develop you will understand the reason for our request and will have had an opportunity to consider it in advance. These are serious diseases, and we sincerely hope that through proper precautions and cooperation we can prevent them from spreading.

BUILDING SECURITY

Tecumseh Local Schools have developed a series of building protocols to deter or minimize the threat level to our students, staff, and building. Students are not permitted to cause or attempt to cause any compromise in the security of the building. This would include preventing doors from closing and/or locking, inducing panic, not following instructions of teachers/staff during emergency drills, etc.

BUS REGULATIONS

The purpose of a school transportation system is to deliver students to and from school and to authorized curricular and extracurricular events; therefore, the same conduct expected in the school building is required on the bus, and at loading points on and off school property.

Riding the bus is a privilege; this privilege can be suspended for any student, who cannot abide by the rules and regulations prescribed by the Ohio Revised Code and the Tecumseh Local Board of Education transportation rules.

The bus supervisor assigns the bus stops and students are not permitted to switch their stop without proper documentation from the office. Any infractions may cause the denial of a student to ride the bus.

CALAMITY DAYS/EMERGENCY CLOSINGS AND DELAYS

There are days when it is necessary for the superintendent to delay the opening of schools or close schools due to unsafe weather conditions or other emergencies. Local radio and television stations will release this information. You may also call the Tecumseh Local Education Connection at 845-4483 or check the homepage of the Tecumseh website for information on school closings. The announcements will be aired as soon as they are received, usually between 6:30 a.m. to 7:00 a.m. Please do not call the school office or Board of Education office. If there is a delayed opening, latchkey will open at 8:30 a.m. If there is an emergency closing, latchkey will be canceled.

CALENDAR AND GRADING PERIODS

[Click here for a copy of the calendar](#) with grading periods listed. Grade cards will be issued on the following dates for the 19/20 school year; October 29, January 14, March 24, and June 4.

The district will make up any days missed beyond five in order to provide our students with a quality education. If more than five full days are missed, each day will be made up utilizing the three Fridays in May, Spring Break and the rest at the end of the school year.

CLINIC

Under normal situations, students should request permission from the teacher when going to the clinic. Students, who are ill, may not go home without clearance from the clinic. In order to meet legal requirements, school personnel must make contact with a parent or designee before the student can be released.

When contacting a parent/guardian to report an illness, students must only use the phone in the Clinic or Main Office Area with permission from the nurse or administrator. Students should refrain from using a cell phone for this purpose or they may be subject to disciplinary actions.

COMMUNICABLE DISEASE AND PESTS - CONTROL OF CASUAL CONTACT

Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school's professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease or pests such as lice.

- **HEAD LICE GUIDELINES**

Tecumseh Local Schools have a no-nit policy and all children must be checked before they return to the classroom after treatment. Students returning to school after treatment must report to the Main Office to be rechecked by school personnel before admittance to the classroom. Students are not permitted to ride the school bus until school staff has cleared them. The Tecumseh Local

Schools policy allows a maximum absence of three (3) days for treatment. Further action may be initiated for extended absence. Student's infested with head lice will be sent home for treatment and not readmitted until they are free of any nits. School personnel may require students to return sooner in certain situations (i.e. excessive absences, short hair).

- At the school nurse's discretion, the other students in the student's classroom and the student's siblings may be examined for evidence of head lice.
- If head lice are found in your child's hair, you will be given information regarding the treatment and removal of lice from the individual and the house.

DRUG FREE SCHOOLS POLICY - MEMORANDUM TO PARENTS REGARDING

In accordance with Federal Law, the Board of Education prohibits the use, possession, concealment, or distribution of drugs by students on school grounds, in school or school-approved vehicles, or at any school-related event. Drugs include any alcoholic beverage, anabolic steroid, dangerous controlled substance as defined by State statute, or substance that could be considered a "look-a-like" controlled substance. Compliance with this policy is mandatory for all students. Any student who violates this policy will be subject to disciplinary action, in accordance with due process and as specified in the student handbooks, up to and including expulsion from school. When required by State law, the District will also notify law enforcement officials.

The District is concerned about any student who is a victim of alcohol or drug abuse and will help facilitate the process by which they receive help through programs and services available in the community. Students and their parents should contact the school principal or counseling office whenever such help is needed.

The complete district policy concerning Drug Prevention can be found in Policy 5530 of the Tecumseh Local Schools Bylaws and Policies.

EARLY ARRIVAL - Elementary

Students arriving at their home elementary school to ride a shuttle bus to their grade level building must arrive at 7:45 am. Shuttle buses depart for the grade level buildings at 7:50 am. Students arriving prior to 7:45 am will be sent to latchkey at Park Layne Elementary and Donnelville Elementary. Students arriving prior to 7:45 am at New Carlisle Elementary may also be charged latchkey fees which may also double if students continue to be dropped off early.

EARLY ARRIVAL - Middle School

Students should not arrive at the middle school prior to 7:00 am. Please note that there is no supervision provided for students arriving prior to 7:00 am and students will not be allowed into the building until 7:00 am.

ELECTRONIC SURVEILLANCE

Tecumseh Local Schools are equipped with surveillance cameras in some areas of the buildings. These may be used to determine illegal actions or rule violations. Students are not permitted to use cell phones and/or electronic recording devices to record video or audio at school unless they have permission from the building principal.

ELEVATOR USAGE GUIDELINES (N/A at Park Layne Elementary & New Carlisle Elementary)

Students will not be permitted to use the elevator unless they have permission from the Clinic or Main Office. In order to receive permission, the following must all be in place:

- A. A written doctor's note stating the reason the elevator is necessary

B. Completion of the "Elevator Usage Agreement"

C. A physical impairment that necessitates the use of the elevator, preventing the student from using the stairs safely

Other reasons a student might use the elevator include:

A. He/She is assisting a staff person with another student who has permission

B. He/She is with an adult staff member

All students having permission to use the elevator will be assigned a staff member(s) for assistance. The student using the elevator is subject to the student code of conduct with consequences for the misuse/abuse of the elevator. In case of a fire drill or an actual fire, the elevator is NOT to be used. The student will report to the elevator and wait for assistance from a staff member.

EMERGENCY DRILLS

Emergency Drills (Fire, Severe Weather, and Safety) will be held periodically in accordance with state laws. Emergency instructions for clearing the building in case of emergency will be posted in each room and/or communicated to the students. The Tecumseh Local School's staff has been instructed in using the A.L.I.C.E. protocols during an emergency situation.

EMERGENCY MEDICAL AUTHORIZATION

State law requires that all students must have an Emergency Medical Form completed, signed by a parent or guardian, and filed in the school office. Students who do not return their emergency medical forms in a timely manner **MAY BE EXCLUDED FROM SCHOOL ACTIVITIES**. Students with specific health needs should submit those needs, in writing and with proper documentation by a physician, to the school office.

ENROLLMENT INFORMATION

Section 3313.672 of the Ohio Revised Code requires that a pupil, at the time of his/her initial entry to a public or non-public school, shall present to the person in charge of admission the following items:

1. A birth certificate or similar document
2. Court papers allocating parental rights or responsibilities, or custody (if applicable)
3. Proof of immunizations
4. Parent/Guardian Photo Identification
5. Proof of Residency or Open Enrollment Application

If the parent does not comply with this representative, the school principal is required by law to notify the law enforcement agency having jurisdiction in that area that the child could possibly be a missing child.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Any parent or student who believes that the School District has failed to comply with the Family Education Rights and Privacy Act ("FERPA") or the Protection of Pupil Rights Amendment ("PPRA"), may file a complaint directly with the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, D.C. 20202-8520.

Form 8330 F addresses the Annual Notification to Parents Regarding Student Records and Specific Events/Activities. This form can be found in the Tecumseh Local Schools Bylaws and Policies.

FIELD TRIP

Field trips are academic activities that are held off school grounds. No student may participate in any school-sponsored trip without parental or guardian consent and a current emergency medical form on file in the office. Medications normally administered at school will be administered while on field trips. The Student Code of Conduct applies to all field trips. Attendance rules apply to all field trips. While Tecumseh Local Schools encourage the students' participation in field trips, alternative assignments will be provided for any student whose parent does not give permission for the student to attend. Students may lose the privilege to go on field trips based upon excessive unexcused absences, low academic grades or missing assignments, and frequent violations of school rules or misbehavior. Field trip restrictions will be determined by the building principal.

ILLNESS AND INJURY

All illnesses and injuries must be reported to a teacher or the office. If appropriate, the student will be treated and returned to class. If the illness or injury is serious, attempts will be made to notify the parent and, if necessary, seek emergency medical attention.

All parents are asked to supply address, telephone and health information on the Emergency Medical Form. This information helps the school decide what to do when children become ill or have an accident. The online Emergency Medical Form must be completed at the beginning of each school year; however, parents are asked to keep this information updated as necessary by returning to the online registration form and updating any information that has changed.

School nurses are shared between buildings across the district. A nurse is not available at all times. Office personnel will make home contact based on their best judgment. In situations that are considered severe, the parents and/or the emergency squad will be called. The school nurses schedule periodic checkups, such as: vision and hearing.

INSTRUCTIONAL MATERIALS - Procedures for inspection

Parents have a right to inspect instructional materials used with their child. In order to make a request for inspection, parents must contact the building principal and will be asked to fill out Form 9130 F3. The form should be completed and submitted to principal. Upon receipt of the completed form, the principal will contact the person making the request within five (5) school days to schedule an appointment for the person to come to the District to review and inspect the material indicated. If, upon inspection and review, the person would like to file a complaint about the instructional materials, the person shall follow the complaint procedures outlined in Policy 9130 and AG 9130.

Parents or school personnel may request a conference at any time. Once children arrive at school in the morning and instruction has begun, teachers are not available to talk to parents. We welcome you to write a note, leave a message on voicemail or with the secretary, or email your child's teacher directly. The district will have scheduled in-service days and 2-hour delayed start days in order for teachers to attend important instructional/training meetings. There will be no school for students at these times. Specific information will be sent home prior to each in-service day. Please plan ahead for child care arrangements. The in-service days and monthly 2-hour delayed starts are noted on the district calendar.

PROTECTION AND PRIVACY OF STUDENT RECORDS

When you enrolled your child, the school district created a cumulative school record, which you have a right to review, but which we will not share with others without your written consent. We do have the right under federal law to release certain information, known as "Directory Information," to certain people or institutions unless you request in writing that such information not be released. In most cases, requests for this type of information comes from the news media or armed forces. We will not release any "Directory Information" for commercial or other purposes not related to school business. Directory Information includes:

1. Student's name
2. Name of student's parents/legal guardians
3. Student's address
4. Student's date of birth
5. Student's class designation
6. Student's extracurricular participation
7. Student's achievement awards or honors
8. Student's weight and height if a member of an athletic team
9. Student's photograph
10. The school or school district the student attended before enrolled in this school district

If you do not want us to release "Directory Information" on your child, please let us know in writing. The complete district policy concerning Student Records can be found in Policy 8330 of the Tecumseh Local Schools Bylaws and Policies.

PUBLIC RECORD REQUEST POLICY

The Board of Education is responsible for maintaining the public records of this District and to make such records available to residents of Ohio for inspection and reproduction in strict adherence to the State's Public Records Act.

"Public records" are defined as any document, device, or item, regardless of physical form or characteristic, including an electronic record created or received by or coming under the jurisdiction of the Board or its employees, which serves to document the organization, functions, policies, decisions, procedures, operations, or other activities of the District. "Electronic record" is defined as a record created, generated, sent, communicated, received, or stored by electronic means. "Public records" do not include medical records, documents containing genetic information, trial preparation records, confidential law enforcement investigatory records, records the release of which is prohibited by State or Federal law, and any other exceptions set forth in R.C. 149.43

Each request for public records shall be evaluated for a response at the time it is made. Although no specific language is required to make a request, the requester must minimally identify the record(s) requested with sufficient clarity to allow the District to identify, retrieve, and review the record(s). If a requester makes an ambiguous or overly broad request or has difficulty in making a request for inspection or copies of public records such that the District's Record Officer cannot reasonably identify what public records are being requested, the District Record Officer or designee may deny the request but shall provide the requestor with an opportunity to revise the request by informing the requester of the manner in which records are maintained by the District and accessed in the ordinary course of business. The request for records does not need to be made in writing.

The complete district policy concerning Public Records can be found in Policy 8310 of the Tecumseh Local Schools Bylaws and Policies.

SEARCHES - Student

A student shall not refuse a search or impede a search of his/her person, including without limitation, his/her briefcase, pocketbook, book bag, gym bag, locker, desk, cell phone, and automobile if that automobile is parked on school grounds or at a school sponsored activity. Refusal to be searched or impeding a search may result in disciplinary action and/or calling the parent and/or police to assist in the search. When the administration believes a student is concealing evidence of a crime upon his/her person, vehicle, or property, the police may be asked to conduct the search.

As per Board Policy 5771, "the Board also authorizes the use of canines, trained in detecting the presence of drugs or devices, when the Superintendent has reasonable suspicion that illegal drugs or devices may be present in a school. This means of detection shall be used only to determine the presence of drugs in locker areas and other places on school property where such substances could be concealed. Canine detection must be conducted in collaboration with law enforcement authorities or with organizations certified in canine detection and is not to be used to search individual students unless a warrant has been obtained prior to the search." This may include random canine searches throughout the year.

SECLUSION

The Board is committed to the District-wide use of Positive Behavior Intervention and Supports ("PBIS") with students. Student Personnel shall work to prevent the need for the use of restraint and/or seclusion. PBIS emphasizes prevention of student behavior problems through the use of non-aversive techniques, which should greatly reduce, if not eliminate, the need to use restraint and/or seclusion.

Professional staff members and support staff determined appropriate by the Superintendent are permitted to physically restrain and/or seclude a student, but only when there is immediate risk of physical harm to the student and/or others, there is no other safe and effective intervention possible, and the physical restraint or seclusion is used in a manner that is age and developmentally appropriate and protects the safety of all children and adults at school.

All restraint and seclusion shall only be done in accordance with this Policy, which is based on the standards adopted by the State Board of Education regarding the use of student restraint and seclusion. The complete district policy concerning Positive Behavior Interventions and Supports and Limited Use of Restraint and Seclusion can be found in Policy 5630.01 of the Tecumseh Local Schools Bylaws and Policies.

STUDENT PRIVACY AND PARENTAL ACCESS TO INFORMATION

The Board of Education respects the privacy rights of parents and their children. No student shall be required, as a part of the school program or the District's curriculum, without prior written consent of the student (if an adult, or an emancipated minor) or, if an unemancipated minor, his/her parents, to submit to or participate in any survey, analysis, or evaluation that reveals information concerning:

- a. political affiliations or beliefs of the student or his/her parents;
- b. mental or psychological problems of the student or his/her family;
- c. sex behavior or attitudes;
- d. illegal, anti-social, self-incriminating or demeaning behavior;
- e. critical appraisals of other individuals with whom respondents have close family relationships
- f. legally recognized privileged and analogous relationships, such as those of lawyers, physicians, and ministers;
- g. religious practices, affiliations, or beliefs of the student or his/her parents; or
- h. income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such a program).

The Superintendent shall require that procedures be established whereby parents may inspect any materials used in conjunction with any such survey, analysis, or evaluation.

Further, parents have the right to inspect, upon request, a survey or evaluation created by a third party before the survey/evaluation is administered or distributed by the school to the student. The parent will have access to the survey/evaluation within a reasonable period of time after the building principal receives the request.

No survey or evaluation containing one (1) or more of the items listed in A-H above will require student signatures. The principal will inform parents of such a survey/evaluation or of a survey/evaluation created by a third party prior to disbursement by sending notification of such surveys/evaluations home with the students. The parent may contact the principal if s/he wants to preview the survey/evaluation before hand, or deny participation by his/her child.

Additionally, parents have the right to inspect, upon request, any instructional material used as part of the educational curriculum of the student. The parent will have access to the instructional material within a reasonable period of time after the building principal receives the request. The term instructional material means instructional content that is provided to a student, regardless of its format, including printed and representational materials, audio-visual materials, and materials in electronic or digital formats (such as materials accessible through the Internet). The term does not include academic tests or assessments.

The Board will not allow the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information (or otherwise providing that information to others for that purpose).

For purposes of this policy, the term "parent" includes a legal guardian or other person standing in loco parentis (such as a grandparent or stepparent with whom the child lives, or a person who is legally responsible for the welfare of the child).

The complete district policy concerning Student Privacy and Parental Access to Information and Student Records can be found in Policies 2416 and 8330 of the Tecumseh Local Schools Bylaws and Policies.

TELEPHONE USE

The office telephone will be used for school business and emergency calls only. During the day, students must have the approval of office personnel to make a phone call. Students will not be permitted to leave class or study hall to make calls. Students will not be called to the phone during school hours except in cases of emergency.

TEXTBOOKS AND LIBRARY BOOKS

Textbooks, Take Home Books and library books are the property of the Board of Education and are loaned to the students by the district. Books must last a period of years, therefor proper care is required. Students will be charged for books that are lost or damaged beyond normal wear at the depreciated value, but at no time less than one-fifth of the purchase price. The use of book covers is highly encouraged. At no time will covers be taped or pasted directly to the book itself.

THE EDUCATION CONNECTION

The Education Connection is a telephone number that you can call 24-hours a day to listen to your child's homework assignments, report your child's absence, get school closing information, and leave a private message for a staff member. From time to time you might receive an automated telephone call from The Education Connection. If you wish to add additional phone numbers to our automated call lists, please call the school office. These calls are directed specifically to your household to inform you of important information or remind you of appointments. The district has installed The Education Connection to increase the availability, frequency, and accuracy of the information you need to know about your child's

education. We encourage you to call The Education Connection at 845-4483 on a regular basis to stay informed.

TITLE 1 – PARENTS’ RIGHT TO KNOW

Parents may request, and the Board will provide the following information on their student's classroom teachers:

- whether the teacher(s) have met the State qualification and licensing criteria for the grade levels and subject areas they are teaching.
- whether the teacher(s) is teaching under any emergency or provisional status in which the State requirements have been waived.
- the undergraduate major of the teacher(s) and the area of study and any certificates for any graduate degrees earned.
- the qualifications of any paraprofessionals providing services to their child(ren).
- in addition, the parents shall be provided:
 - information on the level of achievement of their child(ren) on the required State academic assessments;
 - timely notice if the student is assigned to a teacher who is not "highly qualified" as required, or if the student is taught for more than four (4) weeks by a teacher who is not highly qualified.
- information concerning the specific educational programs and strategies.

The complete district policy concerning the Title I Program can be found in Policy 2261, 2261.01 and 2261.02 of the Tecumseh Local Schools Bylaws and Policies.

VISITORS

Parents are encouraged to visit the school. Please call the school office to arrange a time for your visit. Upon arrival, state law requires that visitors report to the office. A visitor's pass will be issued at that time. Any visitor found in the building without a pass shall be reported to the principal. The principal or his/her designee will be glad to take you to your child's room or an area where you may observe your child. If you wish to confer with a member of the staff, you should call for an appointment prior to coming to the school in order to schedule a mutually convenient meeting time.

Parents wishing to visit their child's classroom must make prior arrangements through the principal's office. Parents, agents, law enforcement officers, etc. must make appointments through the principal's office and must be in the presence of the principal, an assigned designee, or local superintendent before they may confer with a pupil during school. School policy does not permit visits from students from other schools during the school day. Please do not ask.

WAIVER OF SCHOOL FEES AND INSTRUCTIONAL MATERIALS

The Tecumseh Local School District shall waive fees assessed by the District for instructional materials only for students whose parent(s) or guardian are unable to afford them. The Superintendent may, as deemed necessary, establish additional procedures to supplement the procedures established in this policy regarding the requests for waiver of fees. This waiver does not include District fees associated with extracurricular activities or student enrichment programs not part of a course of instruction. Additionally, the District may charge fees for tools, equipment, and materials, as specified, that are necessary for workforce-readiness training that may be retained by the students after completion of the course.

Eligibility Standards

Students eligible for a waiver of school fees include, but are not limited to, the following:

- a. Students who qualify for aid under Ohio Works First (R.C. 5107) or Disability Assistance (R.C. 5115).
- b. Students who qualify for free lunch under the National School Lunch Act.

The complete district policy concerning Waiver of School Fees and Instructional Materials can be found in Policy 6152.01 of the Tecumseh Local Schools Bylaws and Policies.

WITHDRAWAL

If a student is withdrawing from school, the student's parents must come to the school office to fill out a form and ensure that all student fees/fines have been paid and that all school materials (library books, Take Home Books, etc) have been returned.

NOTE: The Withdrawal Process will not be complete until ALL obligations are taken care of and enrollment is confirmed from another educational system.

ATTENDANCE GUIDELINES

It is imperative that students be in attendance each school day in order not to miss a significant portion of their education. The Tecumseh Local School District is required to follow the new State of Ohio law - House Bill 410 which has changed many of the attendance policies and procedures from previous years. Tecumseh Local Schools have a commitment to provide a high quality education to its students. To achieve this goal, students must attend school regularly. Chronic absences, tardiness, or early release disrupts the learning process. Make-up work is not a sufficient substitute for physical attendance in school. It is critical that the school and home come together to ensure students achieve a high attendance rate.

The Ohio Department of Education classifies all students who miss 10% or more of the school year as “Chronically Absent”. Exhaustive research shows students who are chronically absent perform below their peers and fall behind in school. As such, schools in Ohio are required to develop attendance intervention plans for students classified as excessively absent.

In Ohio, children are required to attend school from age six to eighteen unless the pupil has graduated from high school, is employed on an age and school certificate, or has been determined to be incapable of profiting substantially from further instruction. While it is the school’s duty to enforce the compulsory attendance law, responsibility for compliance with the law rests upon the parents, guardians, or other persons having control of the child. (Section 3321.01 of Ohio Revised Code)

- Students are permitted 38 hours of absence in a month or 65 hours (10 days) each school year by parent note, call, or email. Beginning on the 39th hour or 66th hour of an absence, professional documentation is required. The professional (doctor) note must specify the date(s) of the excused absence. Students have 3 school days after they return to school to submit documentation for professional excuses. This hour requirement is total, cumulative absences (excused and unexcused). This is a new state requirement from H.B. 410.
- Absence from School Procedures for All Students
 1. The parent/guardian should call or email the school office before 8:30 am to report an absence.
 2. If a parent/guardian has not notified the school office of an absence via phone or email, the student must present a note stating:
 - Date(s) of absence
 - Reason for absence
 - Signature of parent/guardian
 - Phone number where parent/guardian may be reached.
 3. If the appropriate school officials are not notified of an absence, the student will be considered unexcused. Students have 3 school days after they return to school to provide documentation to change an unexcused absence to an excused absence.

*The school district has the right to investigate the cause of each single absence as warranted. It is the school, not the parent or guardian, that may determine whether an absence is excused or unexcused.

As cited in the Ohio Revised Code, absences from school that are excused, but count toward allotted days absence are:

1. Personal illness
2. Illness in the family necessitating the presence of the child
3. Quarantine of the home
4. Death of a relative
5. Necessary work at home due to absence or incapacity of parent(s)/guardian(s)
6. Observation of a bona fide religious holiday
7. Extended absences: Fill out the [Extended Absence Form](#) and submit the form at least 3 days prior to the extended absence.
8. Such good cause as may be acceptable to the Superintendent
 - Students requesting an early dismissal or arriving late to school because of a medical appointment may be excused if a note from the medical office is presented to the school office upon return. Up to five (5) school days will be granted for submittal of documentation for professional excuses.
 - All students, regardless of age, must abide by all school rules. No student can sign himself or herself out without parental permission.
 - If a student does not attend school on a school day due to illness, fever or communicable disease, he/she is not permitted to attend school/co-curricular activities on that day.

TRUANCY (HB 410)

1. Habitual Truant: Habitual truant is a student of compulsory school age who is absent without legitimate excuse from the school:
 - 30 Consecutive unexcused hours
 - 42 Unexcused hours in a month
 - 72 Unexcused hours in a school year
2. The Tecumseh Local School District is required to follow the new State of Ohio law - HB 410.
3. Tardy/Early Dismissals:

All minutes/hours of school missed by a student will count toward each student's absence rate. The State of Ohio defines a chronically absent student as one who has missed 10% or more of the school year.

Early dismissals/Late Arrivals for the purpose of medical appointments will be approved under the following circumstances:

- Written note or phone call from a parent/guardian must be presented to the secretary with the student's name, grade level, phone number, and where the parent/guardian can be reached before the dismissal can be processed.
- Early dismissals that cannot be verified will be denied.
- Tardy and early dismissals follow school district policy and Ohio law regarding classification of excused and unexcused outlined under the attendance policy.

Daily Attendance Criteria (plus Extracurricular Eligibility): To be eligible to participate in or to attend any athletic event, game, performance, practice, school dance, or any school activity or school event a student must be in attendance for a **minimum of four full class periods** during the school day.

- a. If a student has a "Green Slip" excuse he/she may participate in the athletic contest/activity/performance/practice only if he/she presents the principal(s)/A.D. with the proper documentation from that professional's institution prior to the event.

- b. If a parent has any further questions, they should contact their building administrator.

Homework Requests: Homework requests will be accepted when a student has been absent 2 or more days in a row and must be submitted 24 hours prior to pick-up. No additional homework requests will be honored until previous homework requests have been returned completed. Homework sent home is due upon the student returning to school.

Make-up Work: Upon returning to school after a period of absence, a student must contact each classroom teacher to obtain necessary make-up work. This work must be completed before the date designated by the teacher, typically one day per day of absence. Make-up work is the student's responsibility, not the teacher's! Any student who has received an unexcused absence will not be given credit for any work missed.

ATTENDANCE POLICY

The goal of the Attendance Policy is to encourage the students to be at school every day and period that the school is in session. Many studies correlate regular attendance with academic success at school.

Regular attendance means that the academic learning process is not interrupted, less time is spent on make-up assignments, and students benefit from active-participation and interaction with others in the classroom.

In the event a student must be absent from school, they will receive an "Admit Slip" from either the Attendance Office or Main Office upon their return. At Tecumseh Local Schools there are three categories of absences, designated by a color code system, which may be used for the purpose of discipline.

Green Admit Slips

- **Excused Absence** – assigned work may be made up without academic penalty to the student.
- Do not count as part of a Student's Attendance Plan for discipline purposes.
- **Examples of "Green Slip" Absences**
 - Hospitalization.
 - Religious Holidays.
 - Death in immediate family – limited to 3 days unless extenuating circumstances.
 - Quarantine by health authorities.

 - Court Appearance - accompanied with a court excuse listing dates.
 - Processing for entrance to the military.
 - Special Circumstances with prior approval by each individual building principal.
 - Students dismissed through the clinic shall be handled on an individual basis; generally, this would **NOT** be considered as a "Green Slip" Excuse without an existing physician note unless the students is running a fever or has vomited.
 - Emergency Set of Circumstances.

Yellow Admit Slips – (Parent/Guardian Excuses)

- **Excused Absence** – assigned work may be made up without academic penalty to the student.
- Will not be counted as part of a Student’s Attendance Plan.
- Student has 5 days to change a “Yellow Slip” Absence to a “Green Slip” Excuse.
- Up to 32.5 hours of “Yellow Slip” Absences are allowed **per semester** as part of a Student’s Attendance Plan.
- **After the student reaches 32.5 hours of “Yellow Slip” Absence per semester, the student will receive notification that all further absences during that semester, not described within the approved “Green Slip” Excuses, will be considered as a “Red-Slip” Unexcused Absence.**
- **In order to provide documentation to the state, parents/guardians are required to submit an absence note for every student absence, even after the student has exceeded their allotted amount of “Yellow-Slip” Absences.**
- **Examples of “Yellow Slip” Absences**
 - Legitimate Excused Absence based on written note signed by parent/guardian (limited to 32.5 hours per semester)
 - Special Circumstances with prior approval by each individual building principal.

- **Discipline based on “Yellow Slip” Absences may include:**
 - 19.5 Hours of Absence – Letter Sent Home
 - 32.5 Hours of Absence – Letter Sent Home
 - Additional Absences – Considered Unexcused for remainder of semester (“Red-Slip”)

Red Admit Slips – (No Written Excuse or Parent Note after the 5th Absence per Semester)

- Ohio Revised Code considers Out of School Suspensions as Unexcused Absences. However, additional school discipline will not be issued based upon OSS.
- Up to 13 Hours of “Red Slip” Absences are allowed **per year** as part of a Student’s Attendance Plan prior to discipline being assigned.
- **Discipline based on “Red Slip” Absences may include:**
 - 19.5 Hours of Absence – Letter Sent Home & possible disciplinary action
 - Additional Absences will be periodically communicated to the parent/guardian and may have additional disciplinary action defined based upon grade level or building.
 - 72 Hours of Absence – Letter mailed home & Attendance Meeting with Plan
 - 100 Hours of Absence – Letter mailed home & possible disciplinary action

Reported or Verified Truancy (3 – 5 ALC)

Juvenile Court Involvement

- **Based upon the entire academic school year**
- **“Excessive Absences”** (based on Section 2151.011 of the Ohio Revised Code) is defined as “a school-age child who is absent from school for 38 or more hours in one school month or 65 or more hours in a school year.” **Note: a “school month” is defined as a calendar month.**
- **“Habitual Truant”** (based on Section 2151.011 of the Ohio Revised Code) is defined as “a school-age child who is absent from school without an excuse (Red Slip) for 30 or more consecutive school hours, 42 or more hours in one school month, or 72 or more hours in a school year.” **Note: a “school month” is defined as a calendar month.**
- **Students deemed as “Habitual Truant” may be required to attend periodic meetings with their parent/guardian and the school’s Absence Intervention Team as stipulated in the HB 410 provisions. Truant officers, court mediators, and/or other community resource personnel may also attend these meetings.**
- **The goal of these meetings is to provide a holistic, collaborative intervention for the students to address any potential underlying reasons for excessive absences without formally involving the juvenile court system by filing Unruly Charges solely based upon Truancy.**
- Ohio Revised Code considers Out of School Suspensions as Unexcused Absences.

Formal charges through the juvenile court system may be considered against the student and/or parent as a last resort to address truancy. [ORC - 2151.27(G)]

Student Discipline

The Code of Conduct is a general guide for behavior. The goal of any code of conduct is to establish standards and expectations of acceptable behavior and the consequences of disruptive behavior. Students must know what is expected of them and must be aware of what will happen if they fail to follow behavioral expectations.

This Code of Conduct is adopted by the Board of Education of the Tecumseh Local School District pursuant to Section 3313.661 and 3313.662 of the Ohio Revised Code and is the governing code of regulations for all schools in the Tecumseh Local School District.

This code applies while a student is in the custody or control of the school, on school grounds or close proximity thereto, while at a school-sponsored function or activity, or in school-owned or provided vehicles. In addition, the Student Code of Conduct governs student activities at all times, on or off school property, when such student conduct is reasonably related to the health and safety of other students and/or school employees, or such conduct would unreasonably interrupt the educational processes and/or environment of the Tecumseh Local Schools.

Misconduct by a student that occurs off school district property but is connected to activities or incidents that have occurred on school district property may result in disciplinary action. Misconduct by a student, regardless of where/when it occurs, that is directed at a district official or employee, or the property of an official or employee, may result in disciplinary action.

Students who elect to attend Clark County CTC, OIC, and/or other educational institutions that are extensions of our school will be subject to disciplinary action(s) based upon the Student Code of Conduct of either entity.

Philosophy of Discipline

Tecumseh Local Schools strives for a positive learning environment where all students can experience academic, behavior, and social growth. The structure to create this environment is established through Positive Behavioral Interventions & Supports (PBIS). This language comes directly from the 1997 reauthorization of the Individuals with Disabilities Education Act (IDEA). PBIS is founded on principles of behavior analysis and a proactive approach that values positive behavior support. PBIS is a staff driven, proactive approach to school discipline developed on research based practices and data analysis of school wide behavior. The goal is to maximize academic and social behavior outcomes for all students. PBIS supports the success of ALL students.

Teachers and administrators may deal with misbehavior contingent upon such factors as:

- the student(s) involved.
- the factors precipitating the behavior.
- the seriousness of the offense.
- the number of times the offense has been committed.
- the previous discipline record.

Enforcement of the Code of Conduct

The student code of conduct is enforced at the principal's discretion. The final determination of what is appropriate student conduct is the responsibility of the principal and/or assistant principal.

Any violation of the District Code of Conduct may be addressed in a variety of methods, including but not limited to verbal/written warning, conferences, parent/guardian contact, referral to a guidance counselor, detention, administrative detention, in-school suspension/ALC, emergency removal, suspension, expulsion, removal from school transportation, revocation of driving/parking privileges, removal/suspension of a work permit, referral to law enforcement agencies, or removal from curricular or extracurricular activities, pursuant to 3313.661 Ohio Revised Code.

This policy grants school officials the right to use all legal means including but not limited to, the use of drug trained canines in the performance of their responsibilities.

Students will follow all school rules, policies, and directives during the duration of discipline.

METHODS OF DISCIPLINE

Once a student has been referred to the principal for disciplinary reasons, a record will be kept of his/her offense. This record is to help measure the student's behavioral progress as well as aid the principal in determining the appropriate disciplinary measures for such offense. The principal has many means at his/her disposal. These include rewards for good behavior, positive reinforcement for improvement in behavior, personal guidance, and recommendations to the counseling staff. The principal also has many means at his/her disposal that he will use according to his discretion when considering the nature of the offense and the record of the student.

The following are Methods of Discipline (including but not limited to the following): Positive actions by staff members to inspire correct behavior, Counseling by teachers and guidance staff, Referral to guidance counselor, Denial of privileges, Demerits, Detention before, during, or after school, Administrative Detentions, Alternative Learning Center, Emergency Removal, Out of School Suspension, Expulsion from school, Juvenile Court Mediation, Referral to Juvenile Court.

Abbreviations and Definitions of Discipline Key:

Demerits – (TMS) may be assigned by teachers, monitors, or administrators for minor school violations. Students will receive a demerit slip from the staff member. Students are responsible to track their demerits and communicate the infraction to their parents.

Demerit Progression:

Demerits do accumulate throughout the quarter and start over at the beginning of each quarter.

1st – 4th Demerit – no direct consequence/warning

5th, 6th & 7th Demerit – 1 hour After School Detention

8th & 9th Demerit – 2 hour After School Detention

10th and subsequent Demerits – Office Referral which may result in either ALC or OSS

Accumulation of excessive demerits may result in the student and parents participating in a Clark County Juvenile Court mediation session.

Det. – Detention – may be assigned by teachers, monitors, or administrators for minor school violations.

Detentions last for 30 minutes and may be scheduled, before, during, or after school at the staff member's discretion. Cutting a detention will result in two detentions being assigned and cutting either of those detentions will result in an Office Referral. A warning may be given prior to the detention. An office referral should be written after the student has received two detentions for similar behavior.

A.D. – Administrative Detention – will be assigned by the administration for violations of the Student Code of Conduct. Administrative Detentions are held on scheduled dates and times, either before, during, or after school, in the assigned room. Administrative Detentions may be either one or two hours in length and are generally scheduled in advance. The student and parent/guardian are expected

to make arrangements to provide transportation and have a ride available to drop them off or pick them up. Students who do not follow the rules in detention may be removed and have additional disciplinary actions taken including but not limited to additional Administrative Detentions, placement in the Alternative Learning Center, or Out of School Suspension.

- **In the event of an emergency situation and an Administrative Detention must be rescheduled, the parent/guardian must contact the student’s administrator prior to the scheduled time. Rescheduling of an Administrative Detention will be limited to one per semester without a “Green Slip” excuse.**
- **If school is cancelled due to inclement weather, detentions may be reassigned for the next available detention date.**

A.L.C. – Alternative Learning Center - will be assigned by the administration for violations of the Student Code of Conduct. Students placed in the Alternative Learning Center will have the opportunity to complete school assignments and receive credit for their work. Students who do not cooperate with the ALC monitor, do not engage in productive work activities or who are disruptive in ALC may face additional disciplinary consequences including but not limited to: emergency removal (requiring immediate parent pick up of the student), additional days of ALC assignment, or out of school suspension.

O.S.S. – Out of School Suspension - will be assigned by the administration for either severe or frequent violations of the Student Code of Conduct. Out of School Suspensions means the student may be removed from school for a period of up to 10 days. During a suspension, a student may not be on any school property without permission from either the Principal or Superintendent. Students may make up working during a suspension. Parents or students will need to request this work.

Rec. Exp. – Recommended Expulsion - will be requested by the building level administration for severe or frequent violations of the Student Code of Conduct. The Expulsion will be considered during a separate hearing with a district level administrator acting as an Arbitrator. As a result of an Expulsion Hearing, the superintendent may hold the expulsion in abeyance, remove a student from school for the remainder of the semester, remove the student for up to 80 days, or in specific situations, such as a weapons violation, the student may be removed for one calendar year.

Permanent Exclusion - is the act by the superintendent of removing a student from school and also barring that student from enrolling in any school in Ohio.

Control of Out-of-School Conduct

The out-of-school misconduct, which may be regulated by school policy, is misconduct, which is connected to activities or incidents that have occurred on school owned or school controlled property. School officials also have authority over misconduct directed at a district official or employee, even if the misconduct occurs off school grounds. Additionally, out-of-school misconduct that presents a hostile environment within the school setting between students and/or staff is prohibited such as harassment/threats/intimidation.

The following code sets forth school rules prohibiting certain types of student conduct, either:

- on district school grounds during or immediately before or immediately after school hours.
- on district school grounds at any other time when the school is being used by a school group.
- off district school grounds at a school sanctioned activity, function, or event.

- off district school grounds for a threat, assault, or general abuse of a staff member or staff member's property because of school related activities.
- off district school grounds for a threat, assault, or general abuse of another student because of school related activities.

A student found to be in violation of any one of these rules, may be suspended for a period up to ten (10) days, and expelled for an additional 80 days or, in the case of a weapons violation, one (1) calendar year. It shall be the decision of the proper school administrator after carefully weighing all the facts and circumstances pertaining to an incident of misconduct as to which corrective measures are appropriate or adequate. ALC assignments, Out of School Suspensions and Expulsions may be extended into the following school year if the present school year is over before the suspension or expulsions end.

108 - REPEATED VIOLATIONS OF STUDENT CODE OF CONDUCT

- The violations guidelines will serve as a basic guide for both administrators and students in dealing with disciplinary problems; however, the school and administrators reserve the right to deal with students with repeated problems in an appropriate fashion. **Thus, those students who have previously been assigned multiple Administrative Detentions or ALC assignments during the school year may expect the administration to move to an increased level of discipline.** Those students who have been suspended repeatedly during the school year may expect a possible Recommendation for Expulsion.

Any action judged by school officials to involve misconduct and not specifically mentioned in other sections may be dealt with as insubordination.

Students who violate any of the provisions in this section of the Student Code of Conduct will be subject to the disciplinary actions up to and including suspension and expulsion. Repeated violations may result in Recommendation of Expulsion. Accumulation of excessive disciplinary referrals may result in the student and parent participating in a Clark County Juvenile Court Mediation session. Furthermore, students will be prosecuted to the fullest extent of the law for any criminal conduct, including but not limited to, any trespassing, vandalism, or assault in violation of this section.

No student shall be suspended without an informal hearing in which the reason for the suspension shall be stated and the student given an opportunity to respond. All suspensions will be recorded in the student's records. These rules apply to students when they are participating in or attending extracurricular activities.
