THS Students Attend SHEDIG Experience

A group of our young women were able to participate in a unique experience hosted by the IUOE Local 18 at their training facility in Miamisburg on Friday, September 29. The program, called SHEDIG, is an immersion experience providing young women the opportunity to learn more about career opportunities in the construction industry, mainly in the use of heavy equipment. THS students were given the chance to independently run large pieces of equipment with the instruction of women currently in the industry. Students also took part in a presentation explaining what an apprenticeship is, and how it offers another avenue for a career after high school. It was an interesting and empowering experience shedding light on employment opportunities here in the Miami Valley.

Congratulations to These Park Layne Elementary Hot Ticket Winners for Sept. 25!

To submit a story or idea for Tidbits email lisa.moon@tecumsehlocal.org

Tecumseh High School Students of the Week for October 2

Congratulations to sophomore Madisyn Betts for being chosen Student of the Week for October 2. Madisyn was nominated by her vocational agriculture teacher, Mr. Vehorn, who said, "Madisyn is always willing to participate in class and motivating FFA members to get involved in activities and contests. She is a leader in the FFA program as a sophomore and challenges the other members to make the FFA program better."

Freshman Ana Rodriguez Rivera has also been chosen Student of the Week for October 2. Ana was nominated by her science teacher, Mr. Hitt. He explained why she deserves this honor: "Ana models the kind of behavior we want at Tecumseh. Her desire to help her peers is a character quality that has stood out to me. She is kind, polite, hard working, and is very willing to help others!" Congratulations, Ana!

Industrial Technology Students Design and Test Paper Airplanes

After learning about different principles and techniques of design, Mr. Kame's students put their knowledge to the test when they created and tested paper airplanes to see which would fly the furthest.

Congratulations to These PLE Hot Ticket Winners for October 2

Tecumseh Middle School Choirs Hold Fall Concert

The TMS sixth, seventh and eighth grade choirs held their first concerts of the school year on October 3. The concerts were held during the school day and parents were invited to attend. The performances allowed students show off the musical talents they have been developing and practice their concert etiquette.

New Carlisle Elementary Announces R Factor Nominations *The September Word of the Month was "Respect"*

Congratulations to These New Carlisle Elementary Positive Referral Earners!

Being an Arrow is a family tradition

For many Tecumseh families being an Arrow is a tradition. To celebrate this, the Tecumseh High School yearbook wants to publish pictures of current students and their family members who are Tecumseh graduates. These photos will go in the 2024 yearbook.

All you have to do is email a family picture to yearbook adviser, Lisa Moon, and send the names of people in the picture and what year they graduated. You will receive an email back letting you know what page in the 2024 yearbook your family photo will be on.

Send photos and questions to
lisa.moon@tecumsehlocal.org

We realize the holidays might be a good time to take these family photos, so the deadline to turn these in will be January 12, 2024.
