## National Honor Society Inducts New Members

On October 13 the THS chapter of National Honor Society inducted new members for the 2023-24 school year. Congratulations to the juniors and seniors pictured here and on the next 2 pages for being inducted this year. NHS president Rachael Cline and vice president Izzy Reilley welcomed each new member as they came to the front of the auditorium. Congratulations to staff member Jennifer Lewis for being selected the Honorary Staff Member.

### 2023-24 Inductees

Tanner Elam  
Bailee Glenn

## High School Choirs Hold Fall Concert

Under the direction of Melinda Lombard, the THS choirs held their annual fall concert on October 10. As is tradition, the first half of the concert took on a more formal and traditional tone. The second half of the concert featured upbeat songs like "Lollipop," "Witch Doctor," and "Shake, Rattle and Rock!" Rachael Cline and Austin Soppe were the Masters of Ceremonies for the night.

## Congratulations to the PLE Hot Ticket Winners!

## THS Students of the Week for October 9

Congratulations to senior Rachael Cline for being chosen Student of the Week for October 9. Rachael was nominated by her choir teacher, Mrs. Lombard because she has been such a leader in the choir program. "Rachael has shown great

leadership skills in my classroom. She took on the project of T-shirt design and production for our yearly choir shirt and is doing a great job!"

Junior Dylan Williams has also been selected Student of the Week for October 9. Dylan works in the school library and was nominated by library media specialist Mrs.

Fischer. She explained why he deserves this recognition, "Dylan serves as a student worker in the library during 1st period. He greets me every morning when he arrives and always checks to see what work needs completed. At the beginning of the school, he was willing to learn whatever tasks I asked of him and wasn't afraid to ask questions if he didn't understand something. In a short amount of time, he has started to demonstrate initiative and regularly completes tasks without being asked. Due to his hard work, willingness to learn, and respectful nature, I believe that Dylan deserves to be an Arrow Student of the Week." Congratulations, Dylan!

New Carlisle Elementary students enjoy time with Ellie, one of the school's therapy dogs.

## Congratulations to These New Carlisle Elementary Positive Referral Earners!
