## Mrs. Gray's Second Grade Class Puts The Science Knowledge to the Test

Mrs. Gray's class did several STEM projects in October. One was to make a basket that held the most candy corn. Students counted and then weighed the candy corn to find who had the most. The second project came from the book *Room on the Broom*. Students used straws, craft sticks, and tape to make a broom that was at least 2 inches off of the ground and held as many pumpkins as possible. They had a lot of fun getting creative and testing the science concepts they have been studying.

## **Tecumseh High School Students of the Week for November 6**

Congratulations to junior Mario Perez for being selected Student of the Week for December 6. Mario was nominated by Mrs. Fischer, our library media specialist. She said, "Last year Mario decided to

make die-cut name signs for the THS staff. Mario spent weeks cutting letters and card stock to make MANY signs. This year, he recognized that there were new staff members at THS, so he made sure that they got signs too. He's even made signs for some of the teachers he remembers from TMS! I'm proud of Mario for the hard work and dedication he's shown through this project."

Junior Austin Soppe was also chosen Student of the Week for December 6. He was nominated by Mrs. Lombard because of his commitment to the music program. She explained, "Austin has taken on extra leadership

responsibilities by organizing extra rehearsals for a small ensemble and volunteering to do an independent study of the Men's Chorus music for the December concert. His dedication to the music program is uplifting to see."

Austin was also nominated by school nurse, Mrs. Ropp, who said, "He was very helpful in the auditorium during CPR. He hooked up the sound board, flipped the breakers and just got it to work in a pinch!" Congratulations, Austin!

## THS Social Studies Ambassadors for November

The Social Studies department would like to honor students excelling or showing academic improvement along with outstanding citizenship. Here are the Arrow Ambassadors for November:

Savannah Cassidy

Dylan Murphy

Evan Davis

Jasmine Wright

Cailee Werling

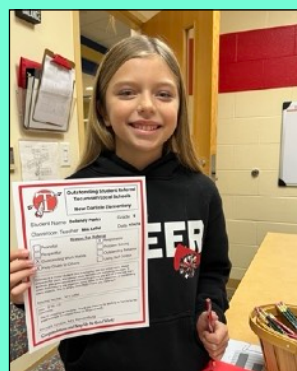

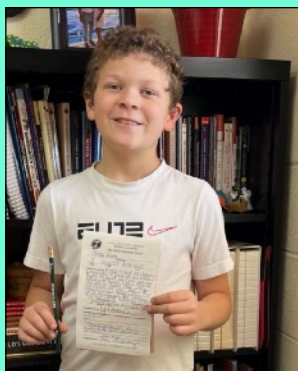

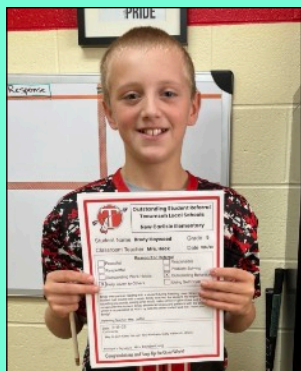

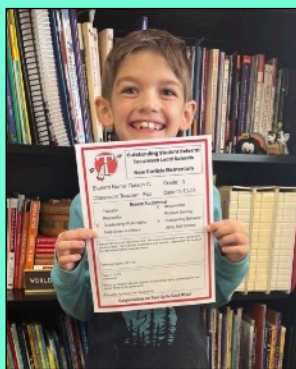

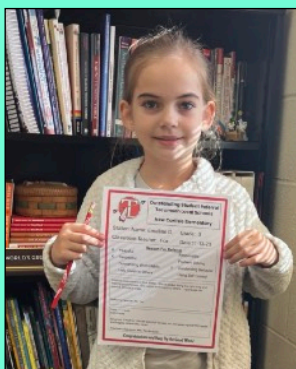

Skylar Parker

Shelby Frappier

## Congratulations to These NCE Positive Referral Earners!

## FFA Alumni Earn American Degrees

Congratulations to Tecumseh High School graduates Audrey Wurts, Mary Albano, and Hannah Smith-Moore for receiving their American Degrees at the National FFA Convention in early November. They are pictured here at the convention shortly after being recognized.

Tecumseh senior Parker Jackson competed at the State cross country meet again this year on November 4 and placed 30th with a time of 15:53. He was then named to the All Ohio team. Congratulations, Parker!

(Right) Mr. Oakes got a few funny looks November 6 when he spent the day in a pink wig and tutu. This was part of a breast cancer awareness fundraising challenge where if the high school raised over \$500 he would wear the outfit around school for a day. Superintendent Mrs. Crew (above with Mrs. Lewis and Ms. Massie) spent the night on the THS roof when the goal of \$1000 was nearly doubled and \$1922 was donated by high school staff and students.

## Tecumseh Middle School Students Perform “The Legend of Sleepy Hollow”

Students in Mrs. Pike’s class recently took the stage during class as they performed the play version of “The Legend of Sleepy Hollow.” Family members were invited in to watch the performance.

## Donnelsville Students Enjoy Kona Ice Reward for Fall Fundraiser

Donnelsville Elementary students had a beautiful fall day to sit outside and enjoy Kona Ice recently. This was the reward for participating in the fall fundraiser and selling a certain number of items.
