Veterans' Day Celebrated Throughout Tecumseh Local Schools

Every school in the district had events to honor veterans on Veterans' Day and the festivities were scheduled at different times throughout the day. Tecumseh High School kicked off the events with cadets performing The 13 Folds of the Flag, where each fold represents something specific. After this, guests were treated to a light breakfast.

Donnelsville Elementary was the next school to honor veterans. Their program started at 9:30 and began with the AFJROTC Color Guard (pictured right) presenting the colors. The cadets traveled around to each of the schools throughout the day to present the flags at each ceremony. Over 100 veterans attended the Donnelsville program where students sang "God Bless America" for their guests. Also, during the program a microphone was passed around for each guest to introduce him/herself. At the conclusion of the program, veterans were invited to have refreshments in the cafeteria where tables had placemats decorated by the students.

New Carlisle Elementary had Veterans' Day assemblies on both Thursday and Friday. The 2nd and 3rd grade held their program Thursday and the 4th and 5th on Friday. Both assemblies featured the students singing "God Bless America" (2nd and 3rd graders) and "My Country Tis of Thee" (4th and 5th graders). The 4th and 5th grade assembly also feature students presenting parts of the program.

After lunch the Veterans' Day programs resumed at 1:30 at Tecumseh Middle School. The middle school assembly featured guest speaker 1st Sgt. Macmillan, member of the United States Marine Corps. The 6th grade choir also sang "The Armed Forces Medley," which is a combination of all the military branches songs.

A big thank you goes to Mrs. Nelson, Mrs. Hulbert and Mrs. Blackburn's classes for taking time to create the chain link flags (pictured right) hanging around the building for Veteran's Day. Also, thank you to study hall students for cutting the stars out. They all did awesome!

A table with a single place setting was set up on the gym floor. This table, the Fallen Comrade Table, is there to remind everyone of the fallen, missing and imprisoned U.S. military service members.

The final program held in the district for Veterans' Day was at Park Layne Elementary. There were many veterans in attendance and the event began with them introducing themselves and saying which student invited them. Mrs. Angela Towner, kindergarten and 1st grade teacher, explained to the students what it was like to be a soldier based on her personal military experience. Next was a slide show which featured pictures of TLS staff members and students family members who had served or are currently serving in the military. At the conclusion, guests were invited to have refreshments in the gym and students had the opportunity to interact with them and give the veterans pictures they had made.
