Tecumseh Middle School Celebrates Kindness Week

As part of The Great Kindness Challenge, the students of TMS spent the week showing appreciation and gratitude for the people they come in contact with every day. As part of the week they took some "Kindness Matters" pictures and set up Kindness Stations where everyone could express their kind thoughts on sticky notes that were then placed on huge display cards with notes of gratitude for the custodians, Deputy Loney, the bus drivers, and the cafeteria staff.

Senior Yearbook Information

The senior picture deadline for the yearbook is being extended until March 31. Hopefully, in the next few weeks students will be receiving a proof of their senior composite picture from Champion City. If a senior doesn't submit a senior photo to the yearbook, the one that Champion City took will be used. Also, get baby pictures turned in to the yearbook. The deadline for those is April 28. Email photos and questions to lisa.moon@tecumsehlocal.org.

High School Artists Create Covers for Young Authors County Competition

Congratulations to Bella Fowler for being selected the winner of the cover design contest for Young Authors. Young Authors is a contest put on by the Clark County Education Service Center. All of the schools in the county will send writers and artists to attend the workshop held at Wittenberg University on March 24. Thank you to all 18 THS artists who entered the competition.

THS Theater Arts Students Perform Comedy Skits

After practicing comedy skits from *The Carol Burnett Show* for several weeks, student in the Theater Arts classes invited an audience to watch the performance. Mrs. Wright and Mrs. Lewis brought their students to see the plays last week. Everyone had a fun time and some even performed improv scenes after the skits were done.

Tecumseh High School Student of the Week

Congratulations to junior DJ Wehener for being selected THS Student of the Week for Feb. 6. DJ was nominated by Mr. Hitt, who stated, "DJ has impressed me with his work ethic in Chemistry. Every day he has been putting in the extra time to ask questions, do practice problems to deepen his understanding of material, and strives to put in the effort necessary to do well. His hard work has turned into academic success this quarter and it shows. DJ is a great representative of Tecumseh High School and well deserving of Student of the Week!"

Congratulations to these Tecumseh Middle School December Students of the Month

Tecumseh Tidbits

TMS Kindness Week cont.

As a reward for showing kindness, students enjoy lunch with Mrs. Holway at New Carlisle Elementary.

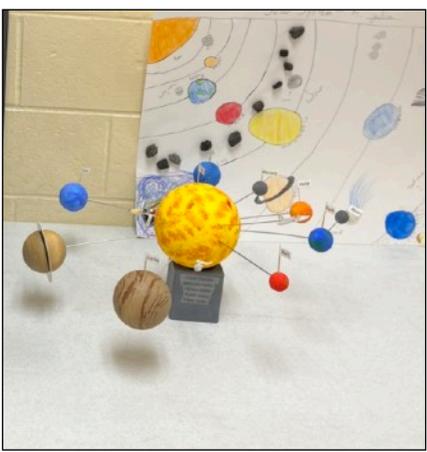

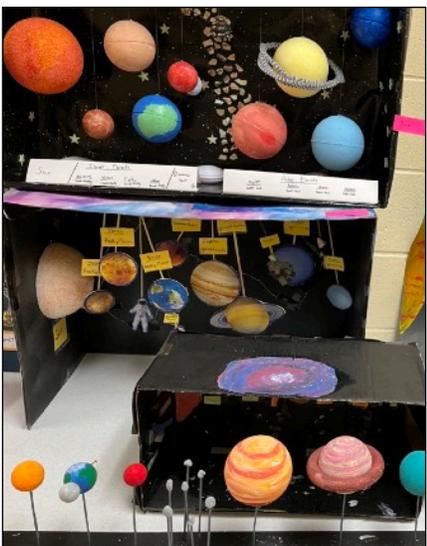

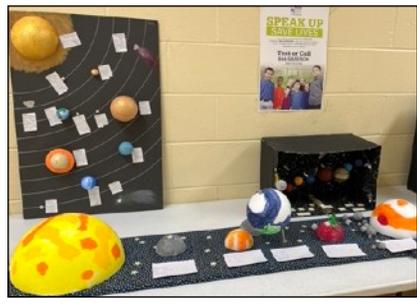

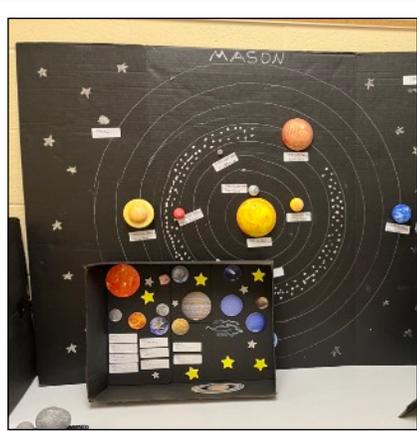

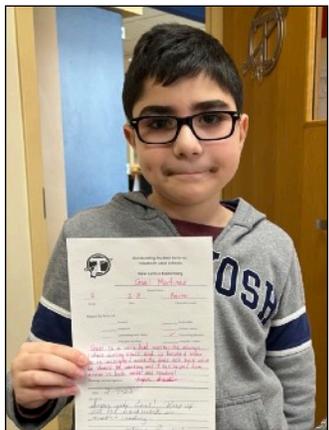

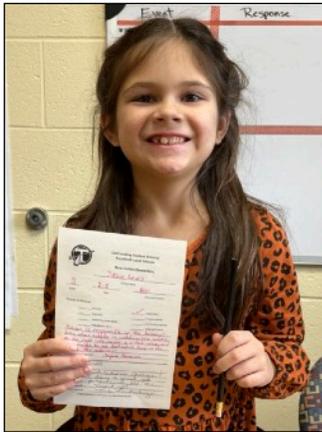

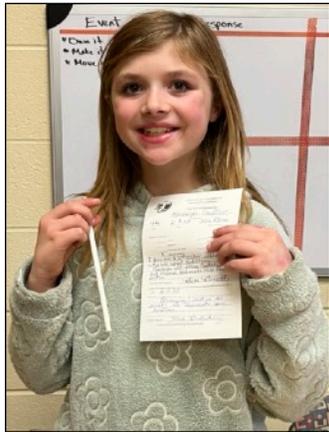

NCE students browse and make selections at the book fair.

Congratulations to these NCE 4th and 5th graders for their R Factor nominations for showing self control.

New Carlisle Elementary Positive Referral Earners

Pictured above are some of the fifth grade solar system projects that New Carlisle Elementary students built.

AFJROTC Teams Compete Over Weekend

The ROTC unit from Tecumseh had another drill meet over the weekend and went against some pretty tough competition. They came out with the following awards:

Cadet Mustard got 5th overall in JV Knockouts, Cadet Pastor-Castro got 9th and Cadet Cochran got 8th in overall knockouts! Way to go!
