## Musical Cast Holds “Clock Strikes Noon” Tea Party

The cast and crew of *Cinderella* held a tea party Saturday, March 18 where guests could pose with the actors and enjoy dancing and refreshments. Toward the end of the event everyone went to the auditorium and was treated to a sneak peek of the show, which opens this Friday.

## THS Students of the Week for March 13

Congratulations to sophomore Bella Fowler for being chosen Student of the Week. Bella was nominated by her art teacher, Mrs. Stevens, who explained, "Bella is an outstanding artist and student in class. She is quiet, kind

and leads by example. She takes every project to the next level. She created the winning cover for the Young Author's Conference to represent Tecumseh Local in the anthology."

Sophomore Jonathan Fernandez-Leon has also been selected Student of the Week for March 13. Jonathan was nominated by Ms. Parker, who said, "Jonathan is a quiet leader. He is punctual, stays on-task throughout class, and asks great questions. He is a fantastic role model to his peers, and he is a pleasure to work with!"  
Congratulations, Jonathan!

The Metals technology II class is building a demolition derby car to enter at the Clark County Fair. The car was donated through the sheriffs department and Deputy Loney coordinated the donation. New Carlisle Auto Parts has volunteered to help by providing guidance and hauling the car to the fair in July. The course instructor, John Kame, has thought about implementing this project for several years and thinks it will be a great experience for the students.

Congratulations to senior Alec Herbert for bowling a perfect game recently during a bowling match.  
Great job, Alec!

## Track Team Braves Elements for “Amazing Race”

Saturday, March 18 was a cold and blustery morning, but the TMS and THS track teams bundled up and completed their 500 combined mile run to raise money for the purchase and replacement of needed equipment for the season. The runners got flat donations or sponsors per mile as part of their Amazing Race fundraiser and parents, coaches and some siblings also took part in the event.

## Congratulations to the PLE Hot Ticket Winners!

## Park Layne Elementary Students Enjoy Madcap Puppet Show

Students were treated to a performance of "When You Wish Upon a Fish" by the traveling Madcap Puppets, based out of Cincinnati. The show got students up on stage at different parts and was fun and entertaining for all.

## After School Tutoring at New Carlisle Elementary
