## AP Physics Students Design, Construct and Test Roller Coasters

Seniors in Mr. Holbrook's AP Physics class held their annual roller coaster design competition on April 20 & 21. Students had certain design requirements they had to include when building their coasters and certain performance requirements when the coasters were tested. Congratulations to the team of Riley Dolbeer, Natalie Keeton and Callie Riley with the winning roller coaster, Rapunzel's Magically Tangled Adventure (below left).

## THS Students of the Week for April 17

Freshman Zoe Swearingen was nominated by her English teacher, Mrs. Krapfel, who explained, "Zoe is a wonderful student and peer to her classmates. She is always willing to lend a helping hand

to her peers and collaborates well during group work regardless of who she is paired with. She is consistently completing quality work, submitting her work on time, and studying for tests and quizzes. She shows respect to the teachers and staff and always shares a smile."

Congratulations, Zoe!

Senior Lucy Hughes was also nominated for Student of the Week. Ms. Cremeans, her Behavioral Psychology teacher, stated that "Lucy is an incredibly hard

worker and very courteous to staff and students. She is involved in several extracurricular activities and is the epitome of good citizenship." Congratulations, Lucy!

### Author Jess Montgomery Visits THS and Talks With Students

Juniors and seniors in Advanced, Honors and AP English classes participated in the One Book, One Community event sponsored by the New Carlisle Library this spring. Participants in this program all read "The Widows" by Jess Montgomery, then had the opportunity to talk with her and have their questions about the book and the writing process answered. The event began with Montgomery being interviewed by Vick Mickunas of WYSO for his show, Book Nook and ended with students being able to ask their own questions.

To submit a story or idea for Tidbits email [lisa.moon@tecumsehlocal.org](mailto:lisa.moon@tecumsehlocal.org)

## Park Layne Elementary Holds Bingo for Books Event

Hundreds of books were given away the evening of April 20 when the staff of Park Layne Elementary held Bingo for Books for students and their parents to enjoy. The guests checked in and received bingo cards, popcorn, cookies and drinks. It was a fun evening for all and a great number of books were won by students and their families.

## MH Class Assembles Weekend Bags for Second Harvest

Students in Laura Wright's Tecumseh High School MH class have been busy putting together bags that go home with select students in the district to have for weekends. Classroom aide Jennifer Lewis and students in the class assemble the bags with the correct number of items of the donated foods and get them ready each week for distribution.

## Tecumseh High School Industrial Technology April Student of the Month

Congratulations to Donovan Nickell for being selected Industrial Technology's Student of the Month for April. Donovan is an exceptional student in the Woodworking class and has maintained a high grade point average. He applies his understanding of design and the use of tools in the lab to produce projects of exceptional quality. Donovan will receive a certificate and a gift card for Ace Handyman Hardware from Kilkare Speedway.

## Congratulations to These New Carlisle Elementary Writers

The NCE students pictured below have all submitted poems that will be published in the Young Author's Poetry Digest. Congratulations to all of you for this accomplishment! Students are pictured here by grade level.
