TMS Hope Squad Attends Summit and is Awarded \$500 Grant

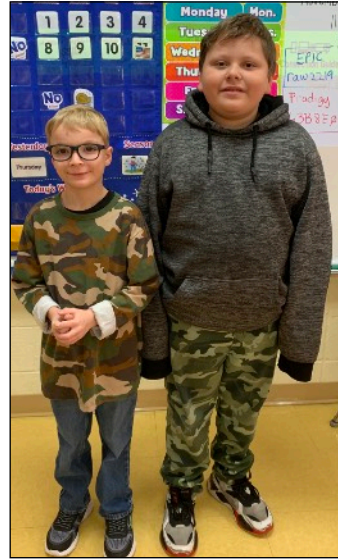

Twelve Tecumseh Middle School Hope Squad members were invited to attend a summit on November 15. The event was sponsored by Wellspring, Clark County Partners in Prevention and other local groups. Because TMS members attended this summit, they received a \$500 grant to create a Resiliency Project for the school and the district!

New Carlisle Elementary Holds Warm & Fuzzy Drive

As a way to gather items needed this time of year- gloves, scarves, hats, etc.- the students and staff of New Carlisle Elementary held a Warm & Fuzzy Drive. Each day had a specific theme and to participate everyone brought in items to donate to local organizations.

Tecumseh High School November 13 Students of the Month

Congratulations to sophomore Rosa Gramajo for being selected Student of the Week for November 13. Rosa was nominated by her history teacher, Ms. Fox, who explained why Rosa deserves this recognition. "Rosa Gramajo is a very hard, conscientious worker.

She is a leader and an excellent role model in that she always comes ready to learn and prepared. Her weaknesses become strengths as she doesn't let anything stop her in any way. She gets overlooked often because she is so quiet and timid. However, she is a great example of the 3Rs and what a young woman and student should exemplify."

Sophomore Corey Russell has also been chosen Student of the Week for November 13. Corey was nominated by Mr. Leathley, who stated, "Corey is a great student-athlete. He works diligently at his school-work and is improving as an

athlete. He is committed to success. His desire to succeed will drive him to great things later in life." Congratulations, Corey!

Tecumseh Middle School October Students of the Month

Industrial Technology November Student of the Month

Congratulations to Kabria Roach for being selected Industrial Technology's Student of the Month for November. She has maintained a high grade point average and is enthusiastic about her project work. Kabria is an exceptional student in the Metalworking class. She applies her understanding of design and the use of tools in the lab to produce projects of exceptional quality.

Park Layne Elementary Students Conduct Leaf Investigation

Earlier this fall, students in Mrs. Henderson's and Mrs. Bonneau's classes enjoyed the beautiful weather as they gathered up leaves for a class project. When they were back in the classroom, students took a closer look at the specimens they collected and recorded their findings.

PLE Students Have Kona Ice Reward for Fundraiser Efforts

As a reward for selling at least 10 items in the fall PTO fundraiser, Park Layne Elementary students enjoyed Kona Ice on a recent fall day.
